This rare opportunity for Portlanders should not be missed! Mizutani Sensei is a master of his art and can assist you to bring your treatments to a new level. His style of direct moxibustion is safe, comfortable, effective, and enjoyable to practice.

This workshop is designed for both novice and experienced practitioners, no experience in Traditional Japanese Medicine is necessary. You will learn new skills that can be immediately applied into your clinical practice. Our focus will be on practical skill development.

### *About Mizutani Sensei...*

Junji Mizutani is the director of the North American Journal of Oriental Medicine (NAJOM) and is a leading authority on traditional approaches to moxibustion. He graduated from the Japan Central Acupuncture College in 1983 and was licensed to practice shiatsu, acupuncture, and moxibustion in Japan. In 1984 he moved to Canada where he has taught shiatsu, acupuncture, and moxibustion for many years. He has produced a DVD on his moxibustion technique and has authored numerous articles. He served three years as the president of the Shiatsu Therapy Association of Ontario. Currently he practices in Vancouver B.C. and lectures regularly at acupuncture schools throughout North America.
